Pet Policy

To insure that everyone has an enjoyable and safe stay with us, and to comply with a request by our insurance carrier, we have instituted the following policy regarding pets. If any of these points are not completed, then the pet will not be permitted to stay on the campgrounds.

- 1. Anyone (staff and campers) bringing a pet must first have exclusive use of the room where the pet is being kept during the entire camp season.*
- 2. The following portion of the form must be completed and signed before the pet will be permitted on the campgrounds.*
- 3. All pets must be confined (i.e. on a leash) at all times during the camp week.*
- 4. The owner bringing dogs to the campground must present a copy of the pet's up-to-date vaccination record and the pet's license at registration. Copies of these records will be kept on file in the campground office.*
- 5. Any pet which is, in the opinion of the Camp Manager, creating a disturbance, is being a nuisance, or is a danger to others shall immediately be removed from the campground by the owner when requested.*
- 6. Please clean up all pet droppings. This is the responsibility of the owner not the campgrounds.*
- 7. No pets are allowed in the Dining Halls (includes Kitchen) or the Tabernacle at any time!*

This form must be presented prior to or at the time of registration. Please print or write legibly.
